Re: Reconsideration in the 70/80 GHz Band (*WT Docket No. 02-146*)

Dear Ms. Dortch:

Yesterday, in response to a question about certain evidence already in the record, Eldad Perahia of Cisco Systems, Inc. sent the attached document to Gerardo Mejia of the Commission's Wireless Telecommunications Bureau. The document details the calculations behind slide 29 of Cisco's August 24 *ex parte* presentation to WTB.

On behalf of Cisco, I am disclosing this presentation pursuant to sections 1.1204(a)(10)(iii) and 1.1206(b). Please feel free to contact me with any questions about the presentation.

Respectfully submitted,

/s/ Mark A. Grannis
